

Dear Parent and Guardian:

Thank you for your interest in the Wild About Wildlife Virtual Summer Camp. We are excited to offer this summer camp experience virtually to camp groups. Our goal is to provide entertaining summer fun and it is up to your camp coordinator to decide how much of the programming your child's camp will access throughout the week. Wild About Wildlife Virtual Summer Camp is designed to boost your child's awareness of his or her surroundings, learn about wildlife and most importantly, have fun!

The camp uses a variety of online third-party video conferencing services and video streaming channels to present the fun and creative sessions. In some cases, offerings will require children to be on a live video conference that may be recorded. Please read through the following guidelines so we can maintain a safe experience for all participants who access and participate in Wild About Wildlife Virtual Summer Camp activities.

- 1) After your camp coordinator registered for a Wild About Wildlife Virtual Summer Camp session, they received an email confirmation acknowledging that they have successfully registered. In addition, they received a link to this downloadable/printable letter and waiver and release forms for parents of their campers to sign so that the camp may use content from the Wild About Wildlife camp. Your camp coordinator's registration allows them to connect to and access the Wild About Wildlife Virtual Summer Camp content and livestream lesson offerings using a single device.
- 2) Wild About Wildlife Virtual Summer Camp will not be require the input of any personal information on the various third-party video conferencing and video streaming platforms. If you camp coordinator is asked to provide a name, they can provide their first name and last initial only.
- 3) The offerings hosted on live video conferencing platforms will have a representative from one of the environmental partners presenting content to attendees.
- 4) Some of these sessions may be recorded for future camp or class activity purposes and for children who were unable to attend that session.
- 5) Wild About Wildlife Virtual Summer Camp partners will monitor their respective offerings to ensure all campers have a safe and fun learning experience. All participants are required to adhere to responsible and appropriate behavioral expectations throughout each session. Wild About Wildlife Virtual Summer Camp representatives and content presenters reserve the right to remove participants who do not adhere to these expectations from the virtual summer camp. However, we are not responsible for the actions of attendees. *We encourage parents and guardians and/or camp coordinators to monitor children while using the various platforms.*

The Wild About Wildlife Virtual Summer Camp may include some physical activity from time to time. The exercise sessions may range from one minute to approximately 30 minutes in length and will be led by a certified yoga teacher.

Please carefully review and sign the attached Release document if it is acceptable to you.
